

First, Give a Name to Your Wish Tree.

When you create your Wish Tree, choose a name to find him in your wish trees list.

It can be the current year or a special name you chose for this particular tree.

Then decide if you want your tree to be "Private", for your eyes only
or "Shared" so that your WishTree friends can see it and write on it.

Click on "Submit", your Wish Tree is ready to be filled up with all your wishes!

Your New Tree Is Waiting for You in the Menu.

Once you have created your Wish Tree, click on the "Menu" button at the right. Go to the "Your Wish Trees" section in the navigation space that has opened up.

You can access your tree and begin writing by clicking on its name. This is also the place where you can delete your tree if you wish so.

Many other things in this menu! We will tell you about them soon.

Write Your Wish or a Good Resolution on a Paper.

Once on your tree page, click on "Add a resolution (...)" and give a title to your wish or your resolution.

Choose a date: it can be the current day or a deadline.

You can start your title by START, STOP, LESS or MORE and then choose the appropriate verb.

Keep it short, simple and meaningful to you!

Need some inspiration? Discover some strong resolutions [here](#) and "small steps" ones [there](#).

They are the ones we prefer. After all, change doesn't have to come all at once!

Click on "Submit", a piece of paper with your title will appear on your tree!

Personalize Your Wish Paper.

Click on the piece of paper with your resolution or wish title to add some details.
You can add steps and check them when you have moved forward or delete them.

You can store your resolution for a later use on another tree.
You will find these on hold resolutions in the dedicated section of the home page menu.

If you click on the button "I made it!", congratulations! Your paper title will turn green.
You can leave it on your tree or delete it by accessing its details on click.

Your Profile and Your Friends.

Click on the so named section in the menu on the home page.

You can change the default avatar with your own photos, update your username or your email and password.

You can search for friends having a WishTree account or invite some friends to sign up and join you.

These friends will be able to see your public trees and write on it.

In this section, you will find the names of your shared trees and your friends list.

So simple, isn't it! Now, make yourself comfortable and think only about what you wish!

Let's go!
